## **In-Villa Chef Preparation Service**

Elevate your dining experience with our exclusive **in-villa chef preparation service**. Our professional chef will arrive at your villa with premium ingredients in hand and handle all the prep work, from crafting flavorful marinades to assembling sides and sauces right in your kitchen. Once everything is expertly prepared, you'll receive **easy-to-follow cooking instructions**, allowing you to complete the meal at your convenience. Perfect for those who love the art of cooking but want to skip the prep, this service offers a blend of luxury and convenience, ensuring a gourmet meal without the hassle.

The cost of this service is **€300**, which includes grocery shopping, in-villa meal preparations, detailed instructions, kitchen cleanup, and 24% VAT. Please note that the price **does not include the cost of groceries**, as this will depend on the selected menu and the number of guests.

While the service fee **can be paid by card**, **the groceries need to be paid for in cash**, as the chef will be handling the shopping on your behalf. Rest assured, you will receive all the official receipts for both the groceries and the service.
