

We are pleased to announce the launch of our highly anticipated service, aimed at improving your arrival experience and addressing any worries you may have.

No longer will you need to worry about grocery shopping or cooking on your first day! We're thrilled to present a selection of thoughtfully crafted menus you can choose from, or alternatively, let us create a personalized menu just for you, perfectly suited to your tastes.

Your personal chef will guarantee the smooth delivery of your chosen menu right to your villa, ensuring it's prepared and waiting for your arrival.
